All equipment is brand new. This industry grows by the day. Every person must sleep if they are 3 to 103 years old. Sleep affects everything: mental health, physical health, cognitive function, and productivity. Every household needs multiple beds. Houses, Apartments, hotels, hostels, Retirement homes, hospitals, dormitories, and babies, to mention a few places, all require beds in volume. You manufacture and supply, more choices = more products = bigger market. Health & wellness boom: Sleep is now seen as the “third pillar” of health (alongside diet and exercise). “You deserve better sleep” gets people to buy more.

The bed base and mattress industry is huge because it serves a universal need. This is a regularly renewed and purchased product. This is a necessity product. You can go without a TV, a wardrobe, or even clothes, but not a bed to sleep on. 59 million people in South Africa Alone...This is why this industry is so huge and this product is in such demand. Repeat and high-volume sales, Beds are an everyday essential, ensuring consistent demand and a sustainable, recession-proof business. Complete factory up for grabs. Great profit margins. If you’ve been looking for a highly profitable business with minimal risk and huge upside, this is it. - There is just too much to mention, so please call for all the information, and we will be glad to assist you.
