BUSINESS OVERVIEW

30+ Years of Trading | Established Brand | 8 Plumbing Teams | Significant Growth Potential

An exceptional opportunity to acquire a well-established plumbing and water-solutions business operating in Gauteng, with an impressive trading history dating back to 1994.

The business has evolved from a traditional plumbing operation into a comprehensive water sustainability and plumbing solutions provider, offering general plumbing and maintenance, drain cleaning and CCTV inspections, solar geysers, heat pumps, water-backup solutions and Certificates of Compliance. Its long-standing reputation, professional approach and broad service offering have enabled it to build a diversified customer base spanning residential homeowners, estates, body corporates, commercial properties, property managers, schools and corporate clients.

A significant strength of the business is its established operational infrastructure. It currently operates with eight trained plumbing teams, supported by a fleet of 10 commercial vehicles and specialist equipment, allowing multiple jobs to be undertaken simultaneously across the Gauteng market. The business is also affiliated with recognised industry bodies, adding further professional credibility.

KEY INVESTMENT HIGHLIGHTS

- Established since 1994
- Strong and recognisable market presence
- Eight trained plumbing teams
- Diversified residential and commercial customer base
- 24-hour emergency plumbing capability
- Specialist drainage and CCTV inspection equipment
- Registered solar water-heating installer since 2008
- Heat-pump and water-backup solutions
- Established website and online presence
- 10 commercial vehicles included
- Strong platform for recurring maintenance contracts
- Significant potential to expand digital lead generation
- Opportunity to grow the commercial and property-management market
- Further upside through expansion of water-sustainability solutions

Financial Information: Available to suitably qualified purchasers following completion of a confidentiality agreement.

LOCATION & PREMISES

Strategically positioned to access a well-established residential, commercial and industrial market in the eastern Johannesburg region. The business services a broad customer base across established areas including Edenvale, Bedfordview, Sandton and surrounding suburbs, with further reach throughout Johannesburg and Gauteng.

Premises Details:

- Approximately 90m² premises
- Operates from a home office
- No dedicated commercial premises required
- Offers a flexible, cost-effective operating structure with the ability to service clients across the wider Gauteng region

GROWTH OPPORTUNITIES

- Expand the existing team to increase operational capacity
- Develop recurring maintenance and service contracts
- Target larger commercial and property-management clients
- Increase digital marketing and online exposure
- Further develop and expand the water-sustainability division
- Broaden the customer base and geographic reach
- Increase recurring revenue and long-term growth potential
