BUSINESS REPORT

Date: **5th November 2026**
Business Reference:**32016**

About the Business:

Renewable Energy & Solar Business

Business has been in existence since 2006 servicing the area and community with renewable and solar energy. Business has been stable, offering a wide range of products giving the consumer solutions depending on solar energy rather than the high financial demands that Eskom requires. With the ever increased price hikes this is a product that is always in demand and is increasing becoming an alternative to your everyday consumer. All systems in place and supplier relations healthy for anyone who wants to

take opportunity of this well-established business.
