Assist walk-in clients with personalised service and solutions.
Perform site visits to inspect and prepare for upcoming installations.

This routine showcases the business's dedication to efficiency, quality, and top-tier customer service, ensuring smooth and productive operations throughout the day.

What Advertising/Marketing is carried out?

ADVERTISING AND MARKETING STRATEGIES

VEHICLE BRANDING

Professionally branded vehicles act as mobile billboards, spreading awareness of the business wherever they travel. This cost-effective strategy ensures visibility in various locations throughout the day.

INTERNET PRESENCE

A strong online presence through a highly effective website and active engagement on social media platforms attracts clients and showcases the business's expertise.

ORGANIC GROWTH APPROACH

The business currently relies on organic methods for advertising, with no paid advertisements. The focus is on leveraging existing channels, such as word-of-mouth, website inquiries, and walk-in customers.

This approach ensures consistent brand visibility while keeping advertising costs low.

What competition exists?

COMPETITIVE LANDSCAPE

MARKET COMPETITION

There is significant competition in the industry; however, the demand is strong, with enough work to sustain multiple businesses.

DIFFERENTIATION

Competitors often focus on different aspects of the market, allowing the business to carve out its own niche.

COLLABORATION WITH COMPETITORS

The business supports smaller competitors by providing printing services, creating an additional revenue stream and fostering industry relationships.

This approach positions the business as both a competitor and a valuable collaborator within the industry.

Systems?

The business is fully systemised, with client order records meticulously maintained since 2013.

How could the profitability of the business be improved?

OPPORTUNITIES TO IMPROVE PROFITABILITY

FORMING PARTNERSHIPS

Entering into partnerships could allow the business to take on double the workload, increasing revenue without a proportional increase in overheads.

PROACTIVE CLIENT FOLLOW-UP

Regularly following up with existing clients can uncover additional work opportunities and boost repeat business.

Implementing these strategies could significantly enhance the business's profitability and growth potential.
