Business Report

Fully describe the business's activities?

This unique and franchisable business consist of:

- 1 - Sit down restaurant with fully licensed bar
- 2 - Boutique bottle store.
- 3 - Boutique retail butchery and deli.
- 4 - Wholesale butchery supplying meat to the restaurant industry.
- 5 - Meat processing plant serving the butchery as well providing game meat processing to its customers during hunting season.

The entire concept is built around the South African "braai" culture. All food prepared in the restaurant/café is prepared on coal as apposed to the conventional gas fired kitchen equipment.

They provide an online shopping service with a delivery service.

How does the business operate on a daily basis?

The business is based in the West Rand of Gauteng and open 7 days a week.

The restaurant/café:

- has a laid-back setting;
- has an inviting smell of freshly brewed coffee and with a great variety of mouth-watering South African dishes to choose from;
- prides itself on making all their dishes with unique, yet traditional South African recipes; and
- has a spacious outdoor area is perfect for any occasion, whether it is a quick cup of our freshly brewed coffee, a business meeting or a gathering of friends and family for an afternoon in the sun, indulging in their delicious food.

The boutique liquor store caters for the following products:

- beers & ciders;
- spirits;
- a great wine selection;
- cigarettes and
- quality wood and charcoal.

The retail butchery caters for the following products:

- Beef;
- Chicken;
- Lamb;
- Pork
- Venison;
- A selection of cold meats; and
- A great variety of spices and sauces.

All meat is bought in bulk, processed and down packed in house into retail portions. Meat orders are placed on weekends, delivered on Monday/Tuesday, processed on Wednesday/Thursday, ready for weekend sales. They probably make the BEST wors and dry wors in the country.

During the game hinting season, they provide game meat processing for their clients.

The manager is a qualified blockman, he grew up in the family abattoir and butchery and later owned his own butchery prior to joining this business. He has a passion for meat and wine and helps their restaurant customers with meat and wine pairing.

Turnover increased from R75 864 month 1 (during the liquor and restaurant "ban") to R1 110 485 in April 2022 (month 14). Turnover has been exceeding a R1m consistently since Sep 2021 and is expected to grow by between R215 000 and R315 000 from May to August due to the game meat processing.

What Advertising/Marketing is carried out?

Facebook and Whats-App broadcasts.

What competition exists?

All restaurants, take-aways, liquor stores and butcheries in the area.

How could the profitability of the business be improved?

In the short term profitability can be increased through better margin management and moving margins gradually inline with industry benchmarks.

The restaurant/café is nowhere near its potential, more marketing on all social media platform will increase revenue and ultimately profitability in all departments.

In the longer terms profitability can be increased by franchising the business on a more exclusive basis than your typical famous brands franchises. The business model can be adapted to cater for "townships" as well as real affluent areas.
