

A man in a blue suit and patterned shirt stands on a city street, smiling. The background shows a building and a blue trash can.

BUSINESS REPORT

Date: **4th February 2026**

Business Reference: **BFS00086**

About the Business:

Children's Play Business

The owners of this business, being avid believers in the natural development of children by means of playing and experiencing through that new knowledge, has taken the Reggio Emilia approach and implement that in their business.

It entails inter alia the development of sensory skills, language skills, fine motor skills, etc.

The business consists of play groups, entertainment groups, birthday parties, classes for the children at predetermined times, etc. – but all aimed at the child and emphasizing nature and its wonderful attributes.

The focus on Early Childhood Development has increased hugely in SA and worldwide as with research it has proven that the early years of a child is most important to lay the foundation for further years including education/health etc.

The positive feedback of this business can be found on their website indicating the important work they do every day
