# Business Report

## Fully describe the business's activities?

There are Four components that make up this business for sale:

- a) 11,500sq.m of Light Industrial Land with specific zoning for carpentry and woodworking
- b) a 35 year old furniture manufacturing business supplying 2 x Blue Chip corporates with custom designed furniture.
- c) A 3-Bedroom 2 Bathroom Farm House
- d) A 2-Bedroom 1 Bathroom Garden Cottage

Ideally the collective should be bought to enjoy the full benefits and ideally by a hands-on individual.

High quality, practical and affordable products targeting the needs of all parents. Product range from smartly designed nursery (baby) furniture , i.e. cots/cribs, toddler beds and chest of drawer units.

## How does the business operate on a daily basis?

The business is regarded as a light industrial business and manufactures nursery furniture out of MDF/Supawood board. Products are manufactured completely from start to finish by means of an automated CNC machine as well as numerous other hand-operated machinery. Products are sprayed in two spray-booths with an overhead conveyor system travelling through a drying tunnel. Once completed, products are then packaged and sent out for delivery throughout SA as well as Africa. The working hours are Monday to Friday.

## What Advertising/Marketing is carried out?

The current customers of the business do all of their own marketing and advertising on their own social networks.

Social Media pages have recently been created for the business.

## What competition exists?

Similar operations located in the country supply exclusive Blue Chip corporates.

## How could the profitability of the business be improved?

They have targeted the public directly, outside of the supply of 2 corporates. Contact has been made with a new Blue Chip retail outlet to supply their products to them.

### Give a breakdown of staff/ functions/ length of service?

General factory work. Some staff have been part of the business for 15 years plus.

### Do any have management potential?

Yes, semi-potential.

### How involved is the Owner in running the business?
