To be provided to qualified buyers.

Give a breakdown of staff/ functions?

To be provided to qualified buyers.

How involved is the Owner in running the business?

The current owner is hands-on in the business and is supported by a reliable site manager and office manager, allowing for day-to-day operations to run smoothly. Current owner is looking to retire and focus on personal and other business interests, and more focus from owner could help push efficiency in production and day to day running.

When does the current lease end?

The premises are rented on a long-term lease, with the next extension renewal due in two years. The factory has operated from the same location since the 1980s.

What are the main assets of the business?

An extensive asset list can be provided to approved buyers.

Asset categories include:

- Manufacturing equipment
- Packaging machinery
- Delivery vehicles
- Office and administrative equipment
- Storage and warehouse equipment

What is the reason for the sale?

The owner is past retirement age and wants to focus on personal and other business interests.

Why is this a good business?

- On-site manufacturing ensures control over quality, production speed, and customisation.
- Ability to fulfil both small and large orders across multiple industries.
- Established operational structure with a site manager and office manager in place.
- Diverse product range serving high-demand sectors such as retail (resellers), agriculture, food and beverage, and logistics.
- Delivery capability supports efficient client service across the region.
