About the Business:

Buy the right to distribute a solution for flat tires in the Western Cape

The buyer of this right to distribute this product in the Western Cape will offer a solution to all the owners of heavy duty industrial vehicles, including inter alia ensuring tire pressure stability- this solution is critically important to prevent huge damage to heavy duty vehicles

This solution can be offered to every owner of heavy duty vehicles including but not limited to transport companies, farmers, courier companies, government organizations, mining sectors, off road vehicles, etc

This solution stabilizes tire pressure, and thus prevent uneven pressure in the tires, it cools the tires and rims ruling out heat fatigue on those elements of a vehicle, which contribute to huge savings on the damage of tires

The product is available in other provinces in SA where references can be obtained if an interested party wishes to discuss this with other owners

The Western Cape is huge in comparison to other other areas where the product is available, and the Western Cape has all the organizations who will be interested in the product, it just requires a huge marketing drive
