Yes, copies of agreements available.

Are they presently insured?

Yes, the business is comprehensively insured.

Strengths?

The business is located in a growth area with regards to building - especially in the affordable housing market. Many building sites in the immediate catchment area.

Weaknesses?

Potential government work in the area would be a huge addition with the correct BEE credentials.

Opportunities?

The securing of private development work for upmarket estates in the area. These tend to be excellent clients. The addition of a lintels manufacturing plant as well as brickforce manufacturing - there is more than enough space available.

Threats?

Normal economic threats but the business tends to navigate these very well.

What is the reason for the sale?

Relocation.

Why is this a good business?

Very profitable. Operates in a growth area for affordable housing which will be a reality for many years to come in South Africa. Has great growth opportunities in the higher-end market in the same vicinity.
